**Serving Children and
Families in our Community**

The Kiwanis Doll Project

Dear Parent,
The enclosed doll is a gift for your child to keep. We hope this doll helps your child feel more comfortable during their hospital stay.

You can help your child color a face on the doll so it looks like her or him. Encourage your child to draw an expression on the face that reflects how she or he feels. Then, have your child draw the injury or pain that he or she is having. This can help your child manage the anxiety of being sick or hurt.

When the doctors and nurses examine your child, they may use this doll to explain the injury or illness. They may also use the doll to demonstrate any medical procedures your child needs, so your child will understand what will happen next.

The Kiwanis Club of Knoxville has provided this doll as a service to your child, this hospital and our community. Students from our Service Leadership programs as well as Kiwanis members and their families, sew, stuff and assemble the dolls by hand.

If you would like to learn more about this or any other project of the **Kiwanis Club of Knoxville**, please contact us at www.KnoxvilleKiwanis.org or call our Club President, Dan Farmer, at 865-584-0999 DanFarmer@mbiarch.com

Service Leadership Programs

Kiwanis is empowering youth around the world to become competent, capable, compassionate leader – by helping youth learn to help others. In short, Kiwanis is changing the world one child and one community at a time – by enabling leaders to serve their communities.

Since 1915 Kiwanis has been dedicated to the realization that community service produces community leaders. **Our Kiwanis Club of Knoxville has been serving the East Tennessee community since 1917**, and our **Fresh Air Camp** off Prosser Road near the Knoxville Zoo, has been serving underprivileged and handicapped children since **1922**.

Today, Kiwanis provides service-leadership opportunities for youth of all ages. These programs include K-Kids, Builder's Club, Key Club, Key Leader, Circle K and Aktion Club.

Kiwanis Bring Up Grades BUG is a recognition program rewarding elementary school students who **Bring Up a Grade** from the previous grading period. Designed for children not making the school honor roll, it recognizes students who work hard to bring ANY grade up; they deserve a pat on the back! Locally, BUG is at Rocky Hill School. Rewards include achievement certificates, stickers, bookmarks, pencils and other incentives to **Bring Up Grades**. www.KKids.org/KKids/BUG

Kiwanis K-Kids Young Leaders Helping Others K-Kids Clubs provide elementary school students with their first opportunity to learn about organizing projects that help others. With more than 600 clubs in 12 nations, K-Kids allows young students to work together in service to community & school, develop basic leadership potential & foster strong moral character. www.KKids.org

Kiwanis KeyLeader Key Leader is a weekend leadership event for today's high school leaders and leaders-to-be. It teaches youth leadership skills and focuses on service leadership as the first, most meaningful leadership development experience. By participating in a hands-on, weekend-long event, Key Leaders learn that *effective leadership comes from helping others succeed*. Key Leader identifies and empowers emerging student leaders and moves them beyond where other leadership programs end. Thousands of students on four continents have and will become Key Leaders. Visit www.Key-Leader.org to learn more.

Key Club International is the largest high school service leadership organization in the world. Key Club empowers its quarter-million youth members to lead and serve in almost 5,000 clubs in 22 nations. Providing more than 12 million service hours annually, Key Club helps teens cultivate leadership skills, make new friends & perform service in their community. Key Club members help others and develop skills they carry with them for a lifetime. www.KeyClub.org

Circle K International is the premier university service organization in the world. With clubs on more than 600 campuses in 17 nations, programming is based upon service, leadership and fellowship, with service being the most important of the three. www.CircleK.org

Kiwanis Fresh Air Camp Since 1922, the **Fresh Air Camp** has been providing a safe, wholesome camp experience for underprivileged & handicapped children of Knoxville & Knox County. Owned and operated by the Kiwanis Club of Knoxville, it is located at 2400 Prosser Road, 1 mile north of the Knoxville Zoo. The **Fresh Air Camp** offers a complete camping experience for these children. The Club holds its annual Pancake Breakfast in April to raise the \$35,000 it takes to run the camp. Visit www.FreshAirCamp.com to learn more.
