GREETERS: Asa Bishop, Mark Brackney

Prez Sez'

This Past week we heard from Alecia Alexander: A Key-Clubber from Fulton High School and attendee at this Spring's Key Leader Event. Alecia reported back to us on some of the training she participated in and let us know that she felt the program was a great success and well worth her time to attend.

Some of the training events were; A ropes course to teach cooperative problem solving and planning, Development of student neighborhoods including conceptual planning and cooperative decision making to develop neighborhood characteristics for desirable and livable communities. Respect training – how to get the respect you want and what you need to give to others; And group questionnaires to promote interaction and help students to get to know one another. The weekend was a great success for Alecia and some of the things she brought away with her include:

The Charastics of a Key Leader

- Be caring
- Treat others equally
- Treat everyone with respect
- Don't be afraid to be a trend setter
- Speak –up when you see someone

being treated unjustly.

If you know a student who might benefit from similar experiences, please let Leslie Frederick know. Planning is already underway for the next Key Leader event in March of 2008 at Camp Wesley Woods in Townsend.

"People are like tea bags -- you have to put them in hot water before you know how strong they are."

Quote of the Week

Choose: The single clinched fist lifted and ready,
Or, the open hand held out and waiting.
Choose, For we meet by one or the other.
