## Prez Sez'

Last week we heard from UT Basketball star Dane Bradshaw. He spent much of his time praising Coach Pearl. These are strong words coming from the only Senior on last year's team. Dean said that even before the season started, you could feel the difference in the atmosphere around Coach Pearl. He had a vision for what he wanted the team to be and how to get there. If you were around him this vision was contagious. They raised the bar in practice. "You can't settle for good practices; they have to be great because you have to really separate yourselves in March".

Dane also praised Chris Lofton as the best shooter he had ever been privileged to be around.

Dane's immediate plans include a stint in Holland playing ball in the European League.

Beyond that he says he has a taste for coaching and possibly Business. We will just have to see what tomorrow brings.

## New Member Anthony Ingram!

Welcome our newest member, **Anthony Ingram**, to our Kiwanis Club of Knoxville! **Anthony** is District Executive, BSA Great Smoky Mountain Council. Let's thank **Andy Shafer** who invited him to visit and encouraged him to join!

## Joke of the Week

An old country gentleman and his wife were out driving one day, when a police officer pulled him over. "What seems to be the trouble young man?" asked the old gentleman. As the officer said, "Excuse me sir, but didn't you notice your wife fell out of the car back there?" To which the old gentleman exclaimed, "Thank you son, I thought I went deaf!"

## Quote of the Week

Opportunity is missed by most because it is dressed in overalls and looks like work.
