Last week, President Elect; Phil Breedlove regaled us with tales of his trip to the 2007 Kiwanis International Convention in San Antonio. As always, at convention there are great speakers, unique and inspiring characters, fellow Kiwanians from around the world and the chance to participate in shaping the future of our organization. This

is especially important as civic clubs are struggling to grow membership. And Kiwanis has an astounding goal to grow from 300,000 members to 1,000,000 members in ten years. Phil shared Kiwanis International's plan for reaching this audacious goal; Kiwanis plans to reinvent itself to become relevant to younger, busy and tech savvy folks around the world. Already there are clubs challenging current definitions of what a Kiwanis club is. Some meet solely on the internet and spend their time on projects; others abandon traditional weekly meetings and only meet for projects. There are also value-adding changes such as a focus on leadership training. New types of projects and new ways to serve. If are adapting to the need for change. This is what makes it an exciting time to be a Kiwanian - The chance to be on the cutting edge of the evolution of our organization into a new and stronger force for good in our communities and around the world. Are you up to the challenge? Let's make it happen - let's make a difference!

K-Kids is Coming to Rocky Hill School!

Last week Principal Cory Smith met with Leslie Grossman to discuss bringing a K-Kids Club to his school. It was a HIT! Mr. Smith is so pleased with our BUG program, he is open to bringing our award winning K-Kids Service

Club to his students.

On September 11 @ 3:00 we will meet with his faculty to discuss the idea. We will share a 5 minute video presentation about K-Kids and also update teachers on the BUG (BringUpGrades) program. So far,

these Kiwanians have said they want to assist: *Randy Atkins, Louise Fogarty, Dan Farmer, Phil Breedlove and Leslie GF.* Let Leslie know if you want to help. LeslieAnn@LeslieGrossman.com

Joke of the Week

What do Osama Bin Laden and Custer have in common? They both wondered where all those Tomahawks were coming from!

Quote of the Week

I am only one.
But still I am one.
I cannot do everything.
But still I can do something.
And because I cannot do everything
I will not refuse to do
The something that I can do.
